The Los Altos-Mountain View American Association of University Women and the League of Women Voters have scheduled strategic communications and political consultant Mary Hughes to present her plan to encourage women candidates to enter the political arena 2-4 p.m. Saturday at the Los Altos main library, 13 S. San Antonio Road.

Hughes, president of Hughes & Co., will advocate for The 2012 Project, a national, nonpartisan campaign sponsored by the Center for American Women and Politics at Rutgers University, designed to inspire women to run for public office.

Hughes will promote AAUW's Elect Her! initiative, which encourages women to run for office to bridge the leadership gender gap and trains college women to seek campus-based elective office.

Hughes has directed campaigns and advised elected officials in groundbreaking contests.
